*Managed Care Organization (MCO) Fact Sheet  
Client Enrollment Process*

Over the next several months, the Illinois Department of Healthcare and Family Services (HFS) will start mailing enrollment letters. Each enrollment letter will provide information including, who has to enroll, what plans are available in the county, and how to enroll.

If clients do not select an MCO within the first 30 days of their voluntary enrollment period, HFS will mail a second enrollment letter that will identify the MCO they will be assigned to if they do not pick an MCO by day 60 of their voluntary enrollment period.

Proceso de Inscripción de Plan  
En los próximos meses, Illinois Department of Healthcare and Family Services (HFS) se iniciará enviando cartas de inscripción. Cada carta de inscripción proporcionará información que incluye, que tiene que inscribirse, qué planes están disponibles en el condado y cómo inscribirse.

Si los clientes no seleccionan una MCO dentro de los primeros 30 días de su período de inscripción voluntaria, CES le enviará una segunda carta de inscripción que permita identificar la MCO que serán asignados a si ellos no toman una MCO por el día 60 de su período de inscripción voluntaria .
